

TOWN OF MENASHA CITIZEN'S POLICE/FIRE ACADEMY

Do you want to fulfill that dream of fighting crime or fires?

Have you ever wondered what it is like to enter a burning building? Or how about responding to a fight? Well....here's your chance to experience that....well maybe not the real thing, but it'll be pretty close!

Join us for four weeks in April and learn about fire and police operations from the people that enter those burning buildings and respond to those fights for a living. Classes will be held each Thursday night beginning April 5 and will run from 6pm to 9pm.
